CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450 on July 8, 2004.

Lloyd E. Pierce
Attorney for Applicants

PATENT
Docket No. 3333.2.1.3

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants:	Mark J. Rosenfeld et al.	)	
Serial No.:	10/718,232	)	
Filed:	November 20, 2003	)	Art Unit: 1614
For:	NOVEL COMPOUNDS FOR USE IN WEIGHT LOSS AND APPETITE SUPPRESSION IN HUMANS	)	

INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This Information Disclosure Statement discloses information which has come to the attention of Applicants and/or their attorneys and is being submitted so as to comply with the duty of disclosure set forth in 37 C.F.R. § 1.56. In accordance with 37 C.F.R. § 1.97(b), this Statement is being filed within three (3) months of the filing date of the above-identified application or before the mailing date of a first Action on the merits.

Neither Applicants nor their attorneys make any representation that any information disclosed herein may be "prior art" within the meaning of that term under 35 U.S.C. §§ 102 or 103. Moreover, pursuant to 37 C.F.R. § 1.97, the filing of this Information Disclosure Statement shall not be

construed as a representation that a search has been made or as an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

In accordance with 37 C.F.R. § 1.98, this Information Disclosure Statement includes and is accompanied by:

1. A completed copy of Form PTO-1449 listing the patents, publications and other information being submitted for consideration; and
2. A legible copy of each patent, publication and other item of information in written form listed on the enclosed Form PTO-1449, excluding copies of references falling under the prior submission or citation exception of 37 C.F.R. § 1.98(d).

Various patents, publications, and other items of information listed on the accompanying Form PTO-1449 were previously cited by and/or submitted to the U.S. Patent and Trademark Office in Applicant's prior applications (U.S. Patent Application Serial No. 10/718,232, filed November 30, 2003, and entitled "NOVEL COMPOUNDS FOR USE IN WEIGHT LOSS AND APPETITE SUPPRESSION IN HUMANS," and U.S. Patent Application Serial No. 09/834,592, filed April 13, 2001, and entitled "NOVEL COMPOUNDS FOR USE AS ANTIDEPRESSANTS, APHRODISIACS AND ADJUNCTIVE THERAPIES IN HUMANS", which issued as U.S. Patent No. 6,667,308), which are being relied upon for an earlier filing date under 35 U.S.C. § 120. In accordance with 37 C.F.R.§ 1.98(d), copies of these patents, publications, and other items of information are not being submitted with this Statement.

DATED this 8th day of July, 2004.

Respectfully submitted,

Gary D.E. Pierce
Attorney for Applicants
Reg. No.: 38,019

Date: July 8, 2004
